Gentlemen:

I have been referred to you as carrying in stock books concerning coins and the general subject of numismatics. I am in the market for books on coins, as I am somewhat of a collector, and would be very glad to receive a list of the books you have for sale.

Also, since you are well informed on the matter, I would appreciate it very much if you would inform me as to the name and address of any publications devoted to the subject of numismatics. I have looked everywhere but have not been able to find one.

Hoping to hear from you soon, I remain

Very truly yours,

Dear Sir:-

Your letter of the 22nd at hand. I am enclosing herewith a list of the duplicate books we have for sale. Should any of the titles mentioned appeal to you, we would be glad to send them on.

I am also enclosing a list of "Numismatic Notes and Monographs" which we have published during the past two years.

There is a very good publication issued by the American Numismatic Association, of which Mr. Frank G. Duffield is Editor. His address is 1811 Mosher Street, Baltimore, Maryland. This little magazine is issued every month at 15¢ per copy or \$1.50 per year.

Are you interested sufficiently in coins to consider an invitation to become a member of this Society? If so, I would be very glad to propose your name at the next meeting of the Council. The dues of an associate are but five dollars, and this entitles him to receive the current issues of Numismatic Notes and Monographs.

Herewith is an application-for-membership card which you may sign if you so desire to affiliate yourself with this Society.

I would be glad to be of service to you whenever possible.

Very truly yours,
